MEMORANDUM FOR: General Counsel

SUBJECT : Execution of Agreement by Personnel Accepting Overseas Assignment

REFERENCE : Memorandum for Director of Personnel, Director of Security, General Counsel, subject as above, from Deputy Director (Support), dated 18 January 1955

1. An opinion is requested regarding the attached proposed Agreement, which would require personnel accepting overseas assignment to state that they will not accept employment (other than United States Government) in the area of assignment, for at least two years following separation from CIA, should such employment be terminated for any reason.

2. The Agreement was developed following receipt of referenced memorandum from the Deputy Director (Support) which suggested that responsibility for appropriate action be assumed by the Director of Personnel.
